

SHAHIN ALAM

FRONT END DEVELOPER

RS4530

PROFILE

I'm an expert Front End Developer with 1 year of experience creating usable, responsive and SEO friendly websites for eCommerce, educational, small business, online news media agencies, portfolios, blogging, and many more. I have completed some professional projects. I create responsive and interactive websites using HTML-5, CSS-3, Bootstrap, JavaScript and jQuery. Also I'm developing creative digital experiences for WordPress with a strong focus on delivering exceptional UX.
